MERCS™

MERCS ALERT! As a skilled professional soldier trained in anti-terrorist tactics, you have been hired by the U.S. Government to assist in a top secret operation.

While touring central Africa for world peace, the former President of the United States has been taken hostage by a group of revolutionaries. For diplomatic reasons, direct military intervention must be avoided. Instead, an elite corps of mercenaries known as the MERCS has been commissioned to rescue the President and halt the rebels' attempt to take control of the country of Zutula.

Your mission: Land in enemy territory . . . Break through enemy tank line . . . Neutralize special attack unit "Scorpion" . . . Penetrate mountain pass and neutralize enemy HQ . . . Destroy enemy supply line.

Go get 'em, MERCS!
